

STEM / STEAM Teacher Academy

June 9, 2017

8:00 am to 4:30 pm

University of North Georgia, Gainesville

**Discover new ways to teach STEM / STEAM
and collect ideas to enrich your classroom:**

Hands-on Exploration

Delve into inquiry-based, hands-on activities you can replicate in your classroom, and share tips for engaging students in STEM/STEAM instruction.

Effective Technology

Discover opportunities to maximize technology in a STEM/STEAM classroom. Focus will be on coding and ways to incorporate virtual reality into a STEM/STEAM lesson.

Saving Appalachian Gardens & Stories

University of North Georgia's Appalachian Studies Center, "Saving Appalachian Gardens and Stories" is one of the few programs in the nation that works at the intersection of food, science, history, and story.

Middle and High School CTAE teachers encouraged to attend and participate in this workshop.
