

Call for STEM/STEAM Presenters

October 23-24, 2017

The Classic Center
300 Thomas St.
Athens, Georgia

To register for a presentation, go to: <http://bit.ly/STEMForum17>
All presenters must register for the Forum to present.

Proposals are now being accepted for the following:

- **Hands-on labs**
- **Presentations**
- **Extended Workshops**

Content – The STEM/STEAM Forum seeks to educate its audience and **not promote any specific product**. Exhibit space is available for all promotional activity. **Only presentations that are STEM/STEAM related and that fit within the conference strands will be considered.** Presentation selections will be made based upon desired topics, educational value and understanding of the content. All selected presentations will be published in Forum publications and online.

Agenda Schedule – The STEM/STEAM Forum organizers will set the day and time for each presentation, to optimize the sequencing and flow of content tracks. Every effort will be made to assign presenters to requested dates and times. The Georgia Department of Education will notify all selected presenters.

Forum Strands

- STEAM- Arts Integration
- Increasing Participation of Women and Minorities in STEM
- Integrated STEM Instruction
- Increasing Rigor and Relevance in STEM/STEAM
- GSTA/GCTM/CTAE standards integration: Must include presenters from multiple members/leaders of these organizations.
- Technology Integration
